Project requests made for 2009 Surface Transportation Authorization Bill

On behalf of the 39th Congressional District of California, I have made the following requests for funding in the 2009 Surface Transportation Authorization Bill:

- Reconstruct South St. between east and west city limits in the City of Artesia, CA.
- Reconstruct Carmenita Rd. between north and south city limits in the City of Cerritos, CA.
- Reconstruct Marquardt Ave. between north and south city limits in the City of Cerritos, CA.
- Purchase and replace clean air buses for the City of Cerritos, CA.
- Acquisition of property in City of Cerritos, CA to develop multi-modal transportation hub.
- Reconstruct Norwalk Blvd. between north and south city limits in the City of Hawaiian Gardens, CA.
- Reconstruct Rosecrans Ave., including frontage road and bicycle lanes, between east and west city limits in the City of La Mirada, CA.
- Realign and reconstruct Telegraph Road between east and west city limits in the City of La Mirada, CA.
- Purchase and install new transit stops in the City of Lakewood, CA.
- Reconstruct Bellflower Blvd. between north and south city limits in the City of Lakewood, CA.
- Reconstruct Woodruff Ave. between north and south city limits in the City of Lakewood, CA.
- Reconstruct Paramount Blvd. between north and south city limits in the City of Long Beach, CA.
- Purchase and replace clean air buses for Long Beach Transit, Long Beach, CA.
- Reconstruct Wilmington Ave. from 103rd St. to Imperial Highway in the City of Los Angeles, CA.

- Reconstruct Martin Luther King Jr. Blvd. from west to east city limits in the City of Lynwood, CA.
- Reconstruct Alondra Blvd. from north to south city limits in the City of Paramount, CA.
- Reconstruct Paramount Blvd. from north to south city limits in the City of Paramount, CA.
- Reconstruct Firestone Blvd. between east and west city limits in the City of South Gate, CA.
- Design, acquire rights-of-way, and construct I-710/Firestone Blvd. bridge and approaches, ramps, and improvements to nearby arterials in the City of South Gate, CA.
- Construct bicycle, pedestrian, landscaping, roadway and other improvements on Southern Ave. and its adjoining parkway from east to west city limits in the City of South Gate, CA.
- Reconstruct Tweedy Blvd. from west to east city limits in the City of South Gate, CA.
- Reconstruct intersections in the Uptown Whittier area of the City of Whittier, CA.
- Construct bus stops in the City of Whittier, CA.
- Plan, design, install, and construct landscaping and bio-retention stormwater improvements to Broadway Ave. from Whittier Blvd. to Washington Blvd. in Whittier, CA.
- Plan, design, install, and construct landscaping and stormwater improvements to El Segundo Blvd. in Willowbrook, CA.
- Install and monitor air quality monitoring stations and develop programs for measuring air quality in the I-710 Corridor in southeast Los Angeles County.
- Plan, design, implement, and construct Intelligent Transportation Systems projects in the I-710 Corridor in southeast Los Angeles County.
- Develop planning documents and prepare environmental documents for the first phase of congestion relief projects identified for the SR-91/I-605/I-405 freeway corridors in the Gateway Cities region of CA.
- Planning, project definition, alternatives analysis, and conceptual engineering for the West Santa Ana Branch Corridor Project--from Los Angeles County/Orange County border to City of Paramount.
- Design and environmental clearance for freeway to freeway interchanges at the I-605/I-405, I-605/SR-91, I-605/I-105, and I-605/SR-60.
- Conduct environmental review and preliminary engineering to continue Interstate 5 improvements in southeast Los Angeles County between I-605 and I-710, including improvements to corridor arterials.
- Engineering, design, and environmental review for the Orangeline High-Speed Transit System from Los Angeles County to Orange County, CA.
