The Honorable Kay Granger  
Ranking Member  
U.S. House Committee on Appropriations  
H-307, U.S. Capitol  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Santa Fe Springs Homeownership Development Project in fiscal year 2023. This project will be located at the corner of Lakeland Road and Laurel Avenue in the city of Santa Fe Springs, California. The entity to receive funding for this project Habitat for Humanity of Greater Los Angeles, located at 1071 S La Brea Ave, Los Angeles, CA 90019.

This project will support construction of 18 new-construction homes to be sold with an affordable mortgage to low-income families. This is Habitat LA's contribution to the Lakeland Development project, a public-private partnership which in addition to the 18 homeownership units included in this application, will include 40 units of interim housing, 89 permanent support housing units, and a 6,000 square foot Supportive Services Center. Habitat LA is partnering with The Whole Child, a nonprofit organization based in CD-38, as well as the Richman Group, a private building company.

Increasing affordable housing opportunities for low-income individuals and families is the heart of Habitat LA's mission.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request.

Sincerely,

Linda T. Sánchez  
Member of Congress
