The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the City of Pico Rivera's PFAS Groundwater Treatment Project in Fiscal Year 2022. The entity to receive funding for this project is the Pico Rivera Water Authority located at 6615 Passons Blvd., Pico Rivera, CA 90660.

The project is for 4 existing well heads at the following locations:

- 8739 Gallatin Road, Pico Rivera, CA 90660.
- 8316 Washington Blvd., Pico Rivera, CA 90660.

The funding would be used remove per- and polyfluoroalkyl substances (PFAS) from well heads to ensure Pico Rivera Water Authority continues to meet all drinking water standards in the near future. The project would complete funding for Granulated Active Carbon (GAC) vessels and/or Ion Exchange (IO) water treatment systems, as well as pumps, motors, and equipment to be placed at 4 existing well heads operated by Pico Rivera Water Authority.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Linda T. Sánchez
