Dear Chair DeFazio and Ranking Member Graves,

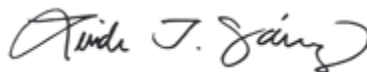

I am requesting funding for the Lakewood Boulevard Corridor Capacity Enhancement Project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Lakewood, California and the project is located at Lakewood Boulevard, Lakewood, CA 90712.

The funding is designated to provide a complete street corridor that elevates Lakewood Boulevard as a Complete Green street with enhanced Active Transportation Elements, supports robust public transportation, provides for stormwater retention and infiltration with native drought tolerant landscape, while retaining the existing vehicular capacity, and enhancing traffic flow with roadway capacity enhancements such as signal improvements and coordination and improved turning movements.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Linda T. Sánchez
