The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the County of Los Angeles' Rosemead Boulevard Complete Street Improvements project in fiscal year 2022. The entity to receive funding for this project is the Los Angeles County Department of Public Works located at 900 S. Fremont Ave, Alhambra, CA 91803.

The project is located along Rosemead Boulevard within unincorporated Whittier Narrows in zip codes 90660, 91733, and 90650.

The funding would be used to construct 2.6 miles of protected bikeways and walkways along Rosemead Boulevard which divides the Whittier Narrows Recreation Area and is a major north-south route for vehicular traffic. The County's Vision Zero Action Plan identified two segments of Rosemead Boulevard within this stretch as Collision Concentration Corridors, which are defined as any half-mile roadway segment that contained three or more fatal or severe injury collisions between January 1, 2013 and December 31, 2017. The County of Los Angeles manages nearly 3,300 miles of roads, and the section of Rosemead Boulevard immediately north of State Route 60 (SR-60) was prioritized as one of its Top 20 Collision Concentration Corridors when factoring in fatal and severe injury collisions involving vulnerable users in a disadvantaged community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Linda T. Sánchez
Member of Congress
