The Honorable Kay Granger
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

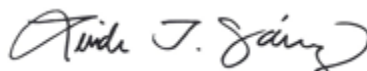

I am requesting funding for the South Whittier Communities Bikeways Access Project in fiscal year 2023. This project will be located in the Los Angeles County unincorporated community of South Whittier and the City of La Mirada. The entity to receive funding for this project is the Los Angeles County Public Works, located at 900 South Fremont Avenue, Alhambra, CA 91803.

At various community meetings and outreach events, the community has expressed a desire and need for enhancements to the transportation infrastructure in this community. This project represents this requested investment and will directly benefit over 56,000 residents of South Whittier and the surrounding areas. Specifically, the funding would be used for the installation of Class II bike lanes and Class III bike boulevards, wayfinding signage, roadway resurfacing, landscaping medians, replacing streetlights within the medians, constructing curb bulb-outs, reconstructing curb and gutter, sidewalk, and curb ramps, upgrading pedestrian push buttons with audio and vibration devices. This will allow residents alternative transportation options with greater mobility and accessibility. In addition, increased and more attractive alternative modes of travel will help reduce congestion and greenhouse gas emissions creating a better healthier community surrounding the project.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of this request.

Sincerely,

Linda T. Sánchez
Member of Congress
