The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Sunshine Shuttle Route C Electric Buses and Charging Infrastructure Project in fiscal year 2023. The entity to receive funding for this project is the Los Angeles County Department of Public Works located at 900 South Fremont Avenue, Alhambra, CA 91803.

The funding is designated for the acquisition of two electric transit buses for the Sunshine Shuttle service to replace the existing propane cutaways beyond their service life. The project provides community shuttle service in Los Nietos. The Sunshine Shuttle is a 3-route community shuttle system and connects to regional and municipal transit services including LA Metro, Montebello Transit, and Norwalk Transit. Sunshine Shuttle provides Los Nietos and South Whittier area residents access to shopping centers, community centers, medical facilities, parks and recreation areas, libraries, job training and employment sites for Cal-WORKS recipients.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Linda T. Sánchez  
Member of Congress
