The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

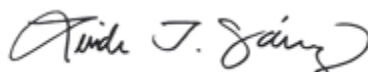

I am requesting funding for the Wilson High School Media Center Upgrade in fiscal year 2024. The entity to receive funding for this project is Hacienda La Puente Unified School District, located at 15959 East Gale Ave. City Of Industry, CA 91745-1604. The funding would be used to upgrade Wilson High School Media Center with new flooring, lighting, fixture, equipment, and California doors. The Media Center is used by students for meetings, project work, for parent and community meetings.

The project is an appropriate use of taxpayer funds because this project will be used for community meetings. Wilson High School has a significant parent and community engagement. There is a dearth of community meeting space around the neighborhood. Wilson High school is a designated voting center, and the upgraded Media Center will provide an inviting space for voters. Several parent meetings are conducted throughout the year at the Media Center. The school will be implementing the community school model.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4), I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request.

Sincerely,

Linda T. Sánchez  
Member of Congress
