Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Montebello's Police Department License Plate Readers and Geographic Data Mapping project. The entity to receive funding for this project is the City of Montebello Police Department, located 1600 West Beverly Blvd, Montebello, California, 90640. The funding would be used to provide the Montebello Police Department with license plate and geographic data mapping software to enhance their enforcement and investigative capabilities, expand their collection of relevant data, and expedite the tedious and time consuming process of comparing vehicle license plates with lists of stolen, wanted, and other vehicles of interest.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Linda T. Sanchez
Member of Congress
