Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Norwalk's Bus Stop Equity Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Norwalk's transportation system, located at 12700 Norwalk Boulevard, Norwalk, California, 90650. The funding will provide the transit-reliant patrons of the City of Norwalk with ample shade and seating to protect against the drastic climate changes Southern California is experiencing, including solar panels providing ample lighting for patrons' safety while waiting at all stops and real-time information displays powered by said panels to offer patrons with accurate wait times, improving quality and operational efficiency.

The project has a federal nexus as the funding provided is for purposes authorized by 49 U.S.C. 5302(a)(4). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Linda T. Sanchez
Member of Congress
