Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Walnut's Gymnasium and Teen Center Renovation Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Walnut, located at 21003 La Puente Road, Walnut, California, 91789. The funding will update the city's 20-year-old facility by replacing of all original HVAC units, skylights, and resurfacing of all lower roofs, flooring, paint, and furniture throughout the facility. Additionally, the funding will provide technological upgrades to the Teen Center to allow for enhanced homework assistance and acceptance of cashless payments throughout the facility, renovation of all facility restrooms, reception areas, and the Teen Center snack bar. The project is aligned to the City's General Plan and will provide an exceptional multi-function facility to Walnut and surrounding communities for generations to come.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Linda T. Sanchez
Member of Congress
